CHOICE SEWING MACHINES

Advanced Needle Threader

Threading a needle has never been easier than with this innovative threader. With just a few simple motions, your needle is threaded and ready to use – it's so easy, you can do it with one hand!

Quick-Set, Top-Loading Bobbin

Avoid the struggle of changing your bobbin with the Quick-Set feature. Simply drop your bobbin in the machine, pull your threads through the slot, and let your machine do the rest of the work.

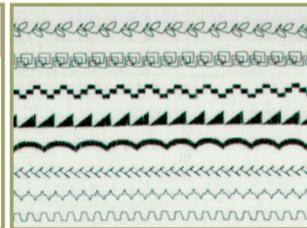

Quick-Set Bobbin Winder

Choice machines take all of the hassle out of sewing – including winding your bobbins! The winder seat holds the thread in place and stops automatically when the bobbin is full.

Push Button Features

With a suite of push button features, your sewing projects have never been easier to complete. Position the needle up or down, reinforce any stitch with the reverse sewing button, or sew without a foot control using the start/stop button.

Stitches

Projects such as quilting, home décor, and crafts require specialty stitches. The Choice Line includes dozens of built-in stitches on each machine that are perfect for the projects you choose to create.

Built-in Accessory Storage

You'll never run out of choices for new machine accessories, and now you'll never run out of room to store them! Keep your accessories organized and at your fingertips with this built-in storage unit.
