### Key Embroidery Features

#### Color LCD Screen

Everything you need is just a touch away. Access your designs, settings and more all through the color LCD touch screen.

#### On-Screen Embroidery Editing

Make changes to your embroidery directly on screen. Resize, rotate, and move the design as needed. Changes happen before your eyes.

#### **Large Embroidery Field**

Stitch bigger designs and enjoy less re-hooping with a large embroidery field—6-1/4" x 10-1/4".

#### 13 Built-In Embroidery Fonts

Personalize your projects with lettering. Choose from 13 built-in fonts and edit them like other designs. You can even choose individual letters to make changes and create something unique.

#### **Quick-Set, Top-Loading Bobbin**

When you're ready to embroider, simply drop a bobbin in and go. It's always easy to get started.

#### **Advanced Needle Threader**

Follow the path and press a lever—that's all it takes to thread the Flourish. The Advanced Needle Threader is so convenient you can do it all with just one hand!

#### Two-Way USB Connectivity

Easily save and access designs from your USB flashdrive, download machine updates and more.

#### **Push Button Features**

Push-button features make it easy to choose your settings on the Flourish. You can also position the needle up or down, cut thread, raise and lower presser foot, and start and stop sewing.
