Venture

Embroidery Machine

The Baby Lock Venture 10-needle machine allows you to take on even more designs and projects. The Venture's free-arm design makes it easy to add embroidery to difficult-to-hoop projects, such as tote bags, t-shirts, etc. You can accomplish a multitude of projects with any design from the simplest to the most sophisticated.

Venture

Embroidery Machine

Ten Needles

With 10 needles available, enjoy continuous embroidery. No need to stop and change your thread for each color change. Simply set and walk-away.

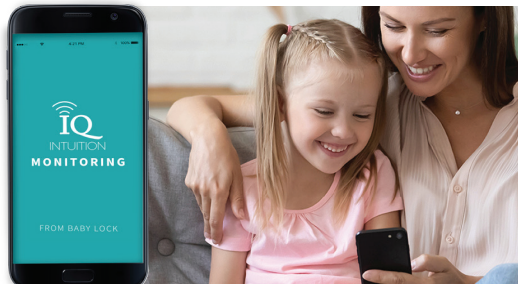

Perfect Positioning

The NeedleCam™ Digital Camera lets you see from the needle's point of view, so you know exactly where the needle will drop.

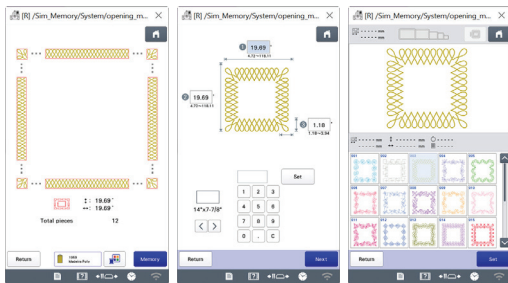

IQ™ Designer

Create your own designs with ease. Draw directly on the screen, scan in your favorite line art or upload an existing file. Your art will be automatically converted into an embroidery design!

IQ Intuition™ Monitoring App

Keep track of your project's progress with this convenient feature that alerts your phone when the bobbin needs to be changed, if a thread breaks, if a thread needs to be changed and when stitching is done.

Auto-split of Large Quilting Border Patterns

Create beautiful quilt borders and sashing with unmatched precision. Put in your dimensions and the Venture measures for you.

New Thread Spool Diagram on Screen

The thread spool indicator diagram shows which spools need to be changed or threaded for a design. They also alert you to which spools need attention if an error such as a thread breakage occurs.

Technology Features

- Color LCD Touch Screen IPS (TFT)
- Software/Connectivity - 3 USB drives
 - 2 (Type A)
 - 1 (Type B)
- Linking capabilities allow up to 10 machines to connect to Palette 11 or later software through a wireless connection
